"GOODBYE"

Early in June, we do depart,
Hand in hand, in cap and gown;
We mount the stairs, and do embark
Upon a new career .

We take our places, row on row
With faces stern and troubled hearts;
We step forward with heads bent low.
We prepare to meet the future.

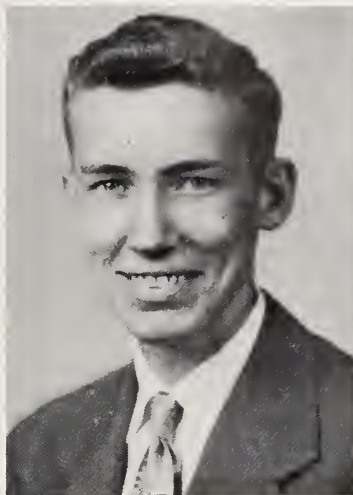

We say goodbye, we shed our tears;
They gave to us
The past four years.
Let's make the most of it.

SCRIBBLERS

Every year the senior scribblers have a big job to do. For, to summarize each personality and character of their class might mean a smile or a black eye in June!! This year's scribblers were the Seniors on the Spotlight editorial staff. Left to right are Peggie Shackelford, Kay Black, Emogene Miller, Adelaide Charleton, Jo Ann Wright, Brad Bartlett and Robert Dowdy.

MASCOTS

Wayne Moore, Jr. and Pamela Davis were selected by the 1952 seniors of E.C.H.S. way back in October as their mascots. They will lead the seniors down the aisle in June to their diplomas and futures. Probably in that moment they will feel more distinguished than the graduating class, for Wayne Jr. and Pamela will know only the glory of those moments. Wayne, III is the son of Mr. and Mrs. J.W. Moore, Jr., and Pamela, the daughter of Dr. and Mrs. William H. Davis.

OUTSTANDING

PHYLLIS RAE PRICE

Phyllis is the type of girl everyone admires. She has a vivacious personality and character. As a majorette, she has contributed much to our school band and spirit. She was treasurer of the student government this year.

CHARLES ADAMS

Charles has a wonderful personality and is the life of every party. He is always ready to help anyone whenever the time comes. Besides being on the varsity football team he is an excellent baseball player and has won letters in both sports.

SENIORS

JOYCE LEE WELSTED

Joyce is always ready to bring life to the piano whenever called upon. She is very pretty and is always waiting to do someone else a favor. She was elected senior class secretary. She is just plain "ours".

HURLEY HARWARD

Hurley did a superior job as our senior class president. He is a quiet boy with a smile in reserve for everyone. Everyone thinks well of this tall, dark, and slim senior. He is a friendly sort, the kind that goes a long way to do a good deed

OUTSTANDING

ROY FORBES

Roy has a variety of friendliness that everyone enjoys, is nice looking and is very athletic. He was co-captain of our 1951 Yellow Jacket football team and contributed much toward the sport's world of E.C.H.S.

REDWELL FORBES

Redwell is the most outstanding boy scholar of his class. He is president of the National Honor Society and is well liked by every one throughout the entire school. A more courteous or pleasing fellow can be found nowhere.

SENIORS

JOHNNY PARKER

Johnny is a friend to all and popular with everyone. Never mad at anything, he goes through life with an "easy-go" way that everyone wishes were his own. He was a member of the varsity football team his senior year and was spectacular in his playing.

EARLENE HASTINGS

Earlene is our most outstanding girl scholar and her grades have proven her efforts well worth while. She was a marshal last year at graduation and this year is president of the Tri-Hi-Y. Quiet, and well liked, she is the type that will go far in life to reach her goal.

MR. E. C. H. S.

ROY ASKEW

Roy is a very popular and ambitious boy who is a valuable friend to everybody in E.C.H.S. Throughout his high school career Roy has been very active and has contributed much to our school. As a result he was elected president of the Student Council, an honor which he readily deserves. Good luck, Roy, and may you go a long way in life.

MISS E. C. H. S.

EILEEN MOORE

Eileen, our high stepping chief majorette is one of the most loved girls in our school. Booming with personality, Eileen always has a word for everyone and her smile is always welcomed by her classmates. She has made a name for herself and our band by her twirling talents. We all wish Eileen the best of luck and happiness throughout life.

UNDER CLASSES MEN

In Memoriam

NICHOLAS POULOS

Nick was an active member of our class and is remembered by all by the friendly smile he had for everyone at all times. During his high school years he was a member of the Spotlight Club, the Audio-Visual Club, the Photography Club, the Spotlight Staff, the Junior Varsity and Varsity football teams.

OUR JUNIOR YEAR

For many years we've made our way,
Racking our brains day after day.
Science, math, and history too
Required hard work to put us through.

Although we're now in the Eleventh grade,
Our work and worries still don't fade,
But now with this work we have frolics and fun,
Our work and play is all tied in one.

Our prom, our play, and our magazine drive
Were quite a success and gave us much pride;
But ordering our class rings was the biggest thrill,
Our hopes and our dreams were about to be filled.

And now that the year is almost gone,
We wish to pass this word along,
"Come on Juniors, let's keep up the pace;
Remember we've all got a future to face.

OUR SOPHOMORE YEAR

A year of joy, our sophomore year;
A year of work, all freshmen fear.
A year of work, a year of toil;
And many nights, burn midnight oil.

A year of triumph, a year of trial;
And study---study, all the while.
A year of laughs, a year of fun;
A year always remembered--this one.

FRESHMAN YEAR

Happy days are here again
With lipstick on your face and chin!
It'll come off, never fear,
And you'll be the one who paints next year.

So goes the life of a brand new scholar,
You're all mixed up and want to holler,
The teachers are there to show you the way,
But you seem to forget that the very next day.

And now a word about the Safety Patrol,
The embarrassing moment of being told
You can't go up; you've got to go down,
And hey, come back and go around!

We all remember the freshman dance.
A million of us fraps all trying to prance
Around the gym, which we will never forget,
To us that dance is the best one yet.

E. C. H. S. STUDENT COUNCIL

This organization proposes to promote the general welfare of the school, to establish a closer union and to create a greater responsibility among the students.

The duties of the council are: to try to be of service to the school; to try to foster school spirit, to recommend rules and regulations for the general welfare and the betterment of the school and to do those things which it considers will carry out the spirit and the words of the constitution of the Student Co-operative Government.

Through the co-operation of the students and the faculty many things sponsored by the student council took place this year. Some of the events were: freshman orientation program and the freshman dance, Southeastern Assemblies, American Education Week--this included a chapel program and a radio program in which forty students of the school participated--homecoming, and a semi-formal Christmas Dance. The council invited members of the preceding senior class to attend the dance.

Projects for the year included: purchase of a record player to be used in the gym or in the classroom and purchase of silver ladles for the punch bowls, being responsible for the school concession, preparing elections for the school, and sponsoring a White Christmas for needy families.

This year the Student Council Congress was held in Greensboro. Those attending were Miss Bertha Cooper, advisor, Betty Holland Bell, Anne Gray, and Roy Askew.

The council owes much thanks for the co-operation given it by the student body and the faculty members.

SPOTLIGHT

The 1952 "Spotlight" was finally published after many a trial and error. It is an enormous task, and we of the "Spotlight" Staff thank the teachers and the students for their splendid co-operation in helping us make out this 1952 edition, for without their help we could have accomplished nothing.

STAFF

The Business Staff is an essential part of the annual, for without these hard working students we could never succeed in having an annual.

The Editorial Staff gets the credit for doing the written work, but it is the Business Staff that does the dirty work behind the lines, outside of class, in order to finance the publication of our annual.

Each individual goes to see businessmen of our town and persuades them to buy an ad. The money they take in makes the publication of the annual possible.

For the second year in many years, the "Loudspeaker" was mimeographed. This was due largely to an insufficient financial support of the Student Body. This past year, we have succeeded in paying old debts, establishing a good, sound financial basis for next year, and publishing a good school newspaper.

The policy of the "Loudspeaker" this past year has been to express student opinion and to stimulate the student body's interest in the happenings of our school and other schools. These ends have been achieved by introducing a Letter to the Editor column, having a reporter from each homeroom, and exchanging newspapers with high schools all over the country.

The purpose of the National Honor Society is to promote scholarship, develop leadership, and to encourage service and character among the students of the school. They have established and maintained a coaching bureau for those students who would like to have help in their studies, and have promoted citizenship through an election in the spring of outstanding students in each class. These students were honored at a spring ball.

The purpose of the Key Club is to develop initiative and leadership, to provide experience in living and working together, to serve the school and the community, to prepare for useful citizenship, and to accept and promote Christian ideals.

The Key Club of the Elizabeth City High School each year takes up several projects from which the school and community benefit. The club takes charge of the selling of tickets at all athletic events. It also keeps the hedges outside the school in trim and keeps the trophy case sparkling. The Key Club sponsored the Key Club Dance in November which has become an annual affair. It is hoped that each year the club will be able to contribute more to the welfare of our school and community.

The Tri-Hi-Y is a religious but non-denominational organization for high school girls who, under the auspices of the Young Men's Christian Association, have banded together to achieve a common purpose. Their main purpose is to create, maintain, and extend, throughout the school and community high standards of Christian character. Their accomplishments were visiting aged people, making nut cups for hospital trays, helping under-privileged families, sponsoring home room programs, and going to church once every month as a group.

One group that certainly does its part for Elizabeth City and the school is The Band. Whenever anything happens you can be sure the band is taking part.

After a wonderful trip to Atlantic City to take part in the Lion's Convention this past summer, all the members could hardly wait for the school year to start. But the band activities started even before the opening of school in September.

The band has always done its part in football season, marching in pep rallies and parades, drilling at half-time, playing concerts and helping to support big events that take place here or away.

The military functioning in the band teaches the members to work cooperatively under their efficient officers and two directors. The band has drawn up a constitution this past year and all the members have approved it.

This year the three outstanding social events of the year were the banquet honoring the seniors, the annual Christmas party, and a dance given for the cheerleaders and the football team. It is hoped that the dance for the football team and cheerleaders can be made into an annual affair striving to promote a better relationship between the two.

The whole band is looking forward to the state contest which is in the spring and are working hard to bring home a superior rating.

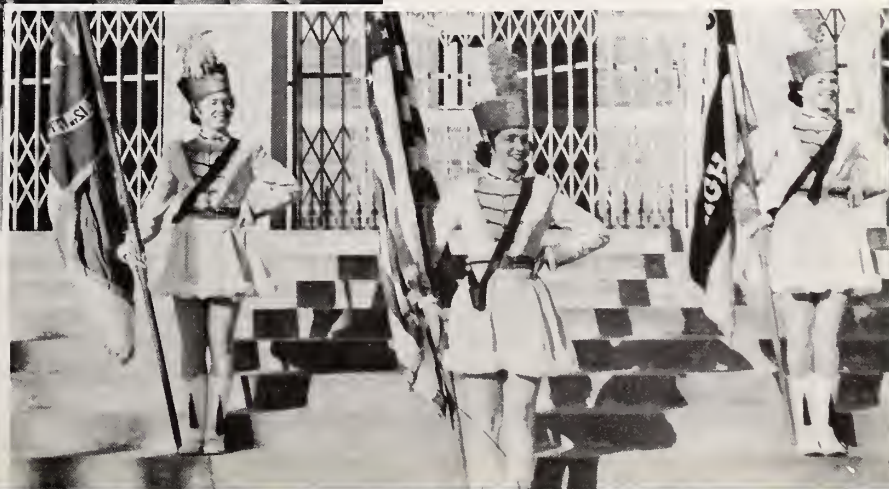

No other organization is as fortunate as the band to have "Uncle Miles" Clark as their sponsor and godfather.

No group can be successful without the proper leaders and directors. With Mr. Callaway, Mr. Rogers, and Uncle Miles urging them on there is no doubt as to the steady progress to rate among the best bands of the land, not only in spirit and character but also in proficiency.

The Elizabeth City Yellow Jackets played good football considering the inexperienced players that were on the team. They were hampered all season by injuries to key players.

The Jackets had a season record of five wins, five losses, and one tie. The deadlock came at the hands of the triple A conference football team from Goldsboro N.C. The final score was Elizabeth 0, Goldsboro 0. The Red Raiders from Suffolk, Va. battled the Jackets to a 12 to 0 win, but not before the Jackets had given them one of the toughest battles of the season. The Red Raiders had previously beaten such great football machines as Maury, Granby and Norview.

Bobby Sawyer, Lindsey Hewitt, and Franklin Wall were selected for the all conference team. Hewitt was also placed on the all Eastern Carolina Team.

Coach John "Honey" Johnson was selected to be one of the coaches for North Carolina in the Shrine Bowl game which matches the stars from North Carolina and South Carolina.

As far as the win and loss column is concerned the 51-52 Yellow Jacket Basketeers seem far from impressive. However, there were several enlightning instances to put hope in a strong team for 52-53. Among these is the fact that the team will lose only six men this year, compared to last year's team which lost 13 out of 15 men.

It is true that this year's team lost a great many games, but the school should still be proud of them, for they played hard and were fighting to win till the final whistle was blown.

The Lady Jackets won no games, but gave their opponents a tough battle all the way. They had neither the practice nor skill of the other teams. Joan Tucker was highscorer of the year with 62 points to her credit. Lois Lerman and Shirley Leary were tied for second place with 29 points apiece. Following these were Joyce Sawyer with 28, Willa Faye Sawyer, 6; Susie Seymore and Doris Moore, 1 apiece. Better luck next year gals!

When the cheerleaders are being chosen there are those who get disappointed, but they shouldn't be discouraged. Next time just try a little harder. Once you are a cheerleader you never want to stop. But don't think that there is no work in cheerleading, because the more you practice the better you'll be. To be a cheerleader is something to be proud of. Remember, though that there's work along with the fun you have.

FEATURES

DEAR RUTH

Each year the Junior Class presents a play as one of the means of raising money for the Junior-Senior prom and banquet. This year the Junior Class presented "Dear Ruth," a comedy in two acts which has enjoyed success on Broadway and as a movie. The cast was ably supported by an excellent staff and director to make the play a success both as a masterpiece of entertainment and as a moneymaking project.

CAST

Dora	Betty Jordon
Mrs. Edith Wilkins.	Anne Gray
Miriam Wilkins.	Toni Gill
Mr. Wilkins.	Bill Kahlbaum
Ruth Wilkins.	Dillon Dawson
Lt. William Seawright "Bill"	Gordon Fearing

TECHNICAL STAFF

FIRST ROW, LEFT TO RIGHT: Joyce Bradshaw, Undine Perry, Shirley Leary, Sally McMullan, Doris Moore. SECOND ROW: Bobby Sawyer, Robert Williams, Betty Wilson, Bill Wallace, Lindsey Hewitt. Absent for picture: Billy Gay McDowell, student director; Bessie Hopkins, Ruth Ferrell, Faye Pritchard, Norwood Rector, James Armstrong, Jimmy Wise, Annette Davenport, Donnie Hoffler.

OFFICE STAFF

The members of the office staff collect the absentee lists, run errands, help with the mimeographing of the newspaper, and other special work. Each day a member of the staff takes charge of the mailing of letters, checks out the mail at the post office, and makes the daily bank deposits. These helpers are very important in helping Mr. Eason and Mrs. Cox carry on the school business. To take office usually requires one year of typing and passing all other subjects.

LIBRARY STAFF

The student librarians play an important part in the school, for without them the library could not run very efficiently. There are fifteen library assistants and each is a member of the North Carolina High School Library Association. They attend to circulation, reference work, keep the library neat, and help students select books.

SEATED, LEFT TO RIGHT: Jo Ann Wright, secretary; Verna Austin, Norma Creekmore. STANDING: George Cohoon, Berta Claire Parker, Sally Wood McMullan, Forrest Simons, chairman, Miss Boomer, advisor; Redveil Forbes, Robert Bray, William Jansson, Eddie Cowell, Virgil Williams. ABSENT: Joe Forbes, Alvin Johnson.

DEBATERS

The Elizabeth City High School Debating Team consists of two teams, one for the affirmative and one for the negative side of the question. These compete in a triangle with Hertford and Edenton. The winner of this contest competes in the first district contest at East Carolina College in April.

The subject, "Conscription of All Citizens in Time of War" is a very timely one and of nationwide interest.

Speaking in the debates develops poise, personality, and a wide knowledge of world affairs. The team is composed of six members, two of whom are substitutes.

They are coached under the expert guidance of Miss Boomer and Miss Jackson.
